

THE WONDERS OF WILDLIFE

A Jacob's Chance enrichment program offered in collaboration with the Virginia Department of Wildlife Resources (DWR).

The Wonders of Wildlife program will offer weekly education and enrichment for teens and young adults with disabilities in the area of wildlife, with each class offering educational experiences that are fun, engaging, and hands-on. Meeting locations will vary week-to-week. Topics will include amphibians, reptiles, fish, mammals, butterflies, birds, and more!

Jacob's Chance is grateful to be the recipient of grant and sponsor funds from multiple organizations that are allowing us to visit these incredible locations!

Thank you to a grant that is offsetting the cost of admission at Virginia Institute of Marine Science (VIMS).

Thank you to Lewis Ginter Botanical Gardens for granting us complementary admission to the gardens.

Thank you to the Maymont Foundation for sponsoring both visits to Maymont Park and the educators that will be leading each program.

Things to consider: Jacob's Chance will be providing transportation through Dependacare on week 2 (The Richmond Zoo) and week 5 (VIMS), with pickup and drop off at SCOR.

VIMS is ~1.5 hours away from Richmond, and the Richmond Zoo is ~45 mins away.
